Message from the Board President:

Spring is around the corner and our sunny Carolina weather brings more of us out into the neighborhood, walking our dogs, strolling with family and friends or continuing that New Year wish of a healthy walk, bike ride or jog. While you are out taking advantage of the beautiful weather, we must all do our best to keep our neighborhood clean. Please don't litter.

As we use our community streets, be aware of your speed, parking restrictions, and refraining from driving over lawn areas. And for all those who are already taking care of business, I thank you for all your efforts.

Spring also promotes new projects around our homes. A reminder that any building or renovation project requires pre-approval by our Covenant required ARC. I invite you to stay up to date, and in touch, via our website, www.covingtonlakepoa.com. Our website contains resource information you may need, in addition to community links.

Lake Holiday Party.
Plenty of good food
drinks, dancing and
singing. Almost
everyone stayed until
the end, with a rousing
rendition of "I'm dream-
ing of a White Christ-
mas"

Al (Fred Astaire)
DeLuca was "getting
down" doing the electric
slide. Don't be sur-
prised if we don't see
him on "Dancing with the
Stars" in the near fu-
ture. Al said that he
would be glad to give
lessons, for a nominal
fee??!!

Everyone stood and
looked great performing
"YMCA". Ron Murphy is
excited about auditioning

for American Idol??!!

Your Board also sang a
few songs, however,
there were unconfirmed
rumors that a petition
was being circulated
begging that they keep
their day jobs.

Marge DeWolfe and
Lona Woodward received
numerous compliments
for their hard work in
putting together this
gala event.

All in all everyone en-
joyed the evening and is
looking forward to next
year!!! Hope to see YOU
there.

Take a look at the many

P ool Committee

Before you know it, the sun will be out, the temperatures will be climbing and we will be enjoying lazy afternoons by our community pool. Our planned pool opening, weather permitting, is April 1st. Our committee reviews the operating needs of our pool area. If you are interested in becoming involved in this committee, we are currently seeking several new members. For more information, please contact Chairperson, Shaun Leary 236-7437 or Board Liaison, Michael Ujcich 236-2339.

The pool will be open around Easter. Please take a few minutes and get re-familiarized with the rules listed on your web site www.covingtonlakepoa.com. They are also posted by the pool. The pool committee is happy to announce that they listened to your suggestions and will be adding additional furniture. Also, to ensure safety and prevent costly damage, numerous security enhancements have been added.

The business of picking up dog "business" has certainly improved.

Thank you! Unfortunately, we still have a few folks that are having a hard time doing the right thing. By all reports, the people that called 248-1520 to report continual violators have been very pleased. The authorities do contact the offenders to explain the "error of their ways" and consequences.

Great news!!! The board is in the process of arranging street cleaning. Removing the sand and debris from the front of

everyone's house will certainly improve the looks of your community. Hopefully the "look" will continue long after the cleaning is completed. There is no date yet, but when we have a definite date and time it will be posted on your web site, so start checking March 1st. It is important that you are aware when this will happen, as there will be **NO PARKING ON ANY STREETS** during this operation.

Become active, visit our website, www.covingtonlakepoa.com to get the latest news and familiarize yourself with the design guidelines, covenants, and event pictures.

Got a question about Covington Lake or the bylaw's and covenants?

Got a complaint or suggestion about anything?

Drop us a line at the Newsletter and we'll do our best to get you an answer through the board or through Chicora Management. Phone numbers and email addresses are on page one of this newsletter.

Each quarter we will print any questions and answers for all to read. If you prefer to remain anonymous in print - that's fine, we'll respect that request.

SPEED LIMIT WITHIN OUR DEVELOPMENT

There has been great concern about the number of people that can't seem to abide by the speed limit. It was felt the safety issue should be the most important focus of everyone. The Horry County authorities have begun and will continue to monitor our streets. There have been numerous speeding tickets issued. Don't be the next one getting a ticket, it's just not worth it.
